Opening keynote address by Prominent Australian business Leader

09.00 – 11.00	Workshop: “Finding new solutions through Indonesia-Australia Collaboration”
----------------------	--

Delegates from Australia and Indonesia will work in small stream groups to discuss opportunities and find innovative solutions to challenges across the streams: Cyber Security, Creative Industries, Fintech, Digital Health, Connecting Start-up Ecosystems, and Smart Government.

The focus of the discussion will be on finding new pathways that can be unlocked by bringing together Australian and Indonesian ideas and capabilities.

INDONESIA - AUSTRALIA

Time	Details				
	This session will be professionally facilitated and will include a series of short talks by tech leaders from both countries.				
11.00 – 12.15	The next big things This session will showcase a series of significant established and emerging projects that link Australia and Indonesia, or could do so in future. This session will explain the sectors that Indonesian and Australian industry are active in and already developing solutions for future problems.				
12.15 – 13.00	Lunch Format: standing lunch				
13.15 – 15.15	An afternoon with the experts <i>Panel 1: Indonesia's start-up ecosystem: an emerging powerhouse in ASEAN</i> Indonesia has a rapidly growing and evolving start-up ecosystem. While the Australian commercial presence in Indonesia's digital economy is small, there are strong people-to-people linkages. This session brings together leading players in Indonesia's start-up space with strong connections to Australia. They will share their insights on Indonesia's digital economy and opportunities for Australian partners, followed by Q&A. <i>Panel 2: Cyber security: Enabler for the digital economy</i> This session will bring together cyber security businesses, customers, industry experts, training providers and policy makers from both countries. The discussion will be centred around the cyber security threats, mitigation tactics and how a safe and secure digital economy will add genuine economic benefit to the Indonesian and Australian economies.				
15.30 – 17.00	Innovation and Collaboration Activities: (including roaming afternoon tea) Activities focused on bringing together participants who want to work together, based around a focused, shared area of interest: <table><tbody><tr><td>Collaboration Café</td><td>Focus on building individual connections or further discussing an idea for future collaborations or partnerships</td></tr><tr><td>Digital Demonstration</td><td>The chance to see innovations in action from across the streams</td></tr></tbody></table>	Collaboration Café	Focus on building individual connections or further discussing an idea for future collaborations or partnerships	Digital Demonstration	The chance to see innovations in action from across the streams
Collaboration Café	Focus on building individual connections or further discussing an idea for future collaborations or partnerships				
Digital Demonstration	The chance to see innovations in action from across the streams
